

The synthesis of the scientific reports (2011-2016)

The objectives of the project for the five years (2011-2016) have been achieved by publishing the articles and the volumes listed in the working plan, through visits to archives and libraries, and by attending national and international conferences. The main activities in this period were the following:

2011:

1. Bibliographical and archival documentation (Cluj);
2. The specialised literature's critical analysis;
3. Systematising the index cards and configuring the bibliographical repertoire.

2012:

1. Bibliographical and archival documentation (Cluj, Arad, Budapest);
2. The specialised literature's critical analysis;
3. The publication of four volumes concerning the modern identities in Transylvania (see the list of publications);
4. The publication of an issue of the *Studia Universitatis Babeş-Bolyai* journal, on the topic of Transylvanian regional identities (see the list of publications).

2013:

1. Studying the identity discourse of the social elites;
2. Bibliographical and archival documentation (Bistrița, Alba Iulia, Budapest);
3. The publication of an issue of the *Transylvanian Review* journal (ISI journal), on the topic of Transylvanian regional identities (see the list of publications);
4. The publication of two volumes concerning the modern identities in Transylvania (see the list of publications).

2014:

1. Bibliographical and archival documentation;
2. The publication of an issue of the *Studia Universitatis Babeş-Bolyai* journal, on the topic of historical onirology (see the list of publications);
3. The publication of two articles and a volume (see the list of publications).

2015:

1. Bibliographical and archival documentation (Cluj, Budapest);
2. The publication of a volume at the Polirom Publishing House, concerning the image of the Romanians reflected in the Hungarian culture (*Ungurii despre români. Nașterea unei imagini etnice*, 414 p.);
3. The publication of 15 articles (see the list of publications).

2016:

1. Bibliographical and archival documentation;
2. The publication of a volume at the Argonaut Publishing House, concerning the modern identities in Transylvania (*Identități moderne în Transilvania*, 180 p.);
3. The publication of two articles (see the list of publications).
