**Subject: LLP Jean Monnet Programme – Plaque for the Jean Monnet Chair
Grant N° 2007-1504**

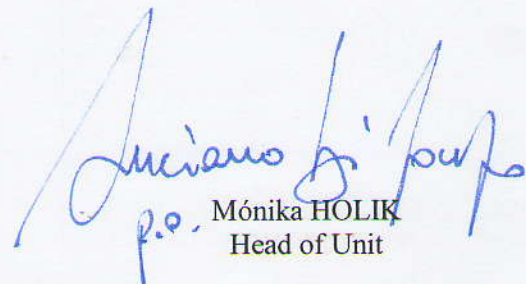

Dear Professor,

We are delighted to send you the new Jean Monnet plaque, which the Executive Agency is attributing to your institution as host to a Jean Monnet Chair.

The purpose of this plaque is twofold. It serves primarily as a label signifying quality in European integration studies and representing the achievements of your Chair in this field. At the same time it also provides visibility for the activities of the Chair, presenting it as the focal point within your institution for the promotion of European issues.

We hope that you will display the plaque with pride and wish you continued success in your European endeavours.

Yours faithfully,

p.o. Mónica HOLIK
