ART. 1 Object of Framework Agreement

- (1) The framework agreement sets out the traineeship background to assist the trainee in building theoretical knowledge and training skills related to the area of specialisation they are pursuing.
- (2) The trainee completes the traineeship in order to acquire the professional competencies outlined in the traineeship portfolio, which is an integral part of the framework agreement.
- (3) The traineeship format and course are detailed in both the framework agreement and the traineeship portfolio included in the addendum to this agreement.

ART. 2 Trainee Status

The trainee maintains their undergraduate/master's degree student status at the higher education institution throughout the traineeship.

ART. 3 Traineeship Terms and Conditions

- (1) The duration of the traineeship will be of _____.
- (2) The traineeship period is scheduled from _____ to _____.

ART. 4 Remuneration and Social Contributions

- (1) The traineeship (check the box that applies):
 - is carried out under an employment contract and, therefore, both parties may benefit from the provisions of Law No. 72/2007 pertaining to incentive measures for pupil and student employment.
 - is not carried out under an employment contract.
 - is carried out as part of a programme supported by the European Social Fund.
 - is carried out as part of the Project
- (2) In the event of subsequent employment, the traineeship will not be included as accumulated service unless performed under a contract of employment.
- (3) The trainee will not claim any remuneration from the traineeship partner unless the trainee has an employee status.
- (4) The traineeship partner may, however, grant the trainee a bonus or benefits in kind as set out in Article 12.

ART. 5 Trainee Obligations

- (1) The trainee will adhere to the work schedule established for the duration of the traineeship. They will carry out the activities in accordance with the tutor's instructions and traineeship portfolio, as well as the statutory requirements regarding task quantity and difficulty.
- (2) Throughout the traineeship, the trainee will adhere to the traineeship partner's internal regulations. In the event of non-compliance, the traineeship partner's manager has the right to terminate the framework agreement following

preliminary discussions with the trainee and their tutor, as well as notification to the head of the educational institution where the trainee is enrolled and acknowledgement of receipt of notification.

(3) The trainee shall adhere to the workplace safety and health standards as outlined by the traineeship partner's representative prior to the start of the traineeship.

(4) During the traineeship, the trainee will not reveal any information they have access to, including information about the traineeship partner or its clients, to a third party or publish it even after the traineeship terminates without the traineeship partner's permission.

ART. 6 Traineeship Partner Obligations

(1) The traineeship partner will appoint a tutor for the traineeship from among its own personnel, whose responsibilities will be outlined in the traineeship portfolio, which is an integral part of the framework agreement.

(2) If the trainee fails to comply with their obligations, the tutor will contact the supervising instructor and suggest that penalties be imposed in line with the higher education institution's organisational and operating guidelines.

(3) The traineeship partner will provide a briefing on workplace safety and health standards prior to the start of the traineeship, in accordance with the applicable legal provisions. The traineeship partner will take the necessary precautions to ensure the trainee's safety and well-being at work and will inform the trainee about the occupational health norms and prevention of professional risks regulations.

(4) The traineeship partner will provide the resources required for the trainee to acquire the competencies outlined in the traineeship portfolio.

(5) Throughout the traineeship, the traineeship partner will provide free access to occupational medicine services.

ART. 7 Traineeship Coordinator Obligations

(1) The traineeship coordinator appoints a supervising instructor to oversee the planning, organisation, and monitoring of the traineeship. The traineeship theme and professional competencies targeted by the traineeship are established by the supervising instructor and the tutor appointed by the traineeship partner.

(2) If the traineeship progress does not meet the traineeship partner's commitments under this agreement, the higher education institution's executive (traineeship coordinator) may decide to terminate the traineeship in accordance with the framework agreement's terms and conditions after giving advance notice to the traineeship partner's manager and receiving acknowledgement of receipt of notification.

(3) The traineeship coordinator grants the trainee the ECTS credits stipulated in this agreement after the traineeship is completed successfully; the credits earned will be included in the diploma supplement in accordance with the Europass regulations (Decision No 2241/2004/EC of the European Parliament and the Council of the European Union).
